## UNFUNDED MANDATES/Child Porn, Abuse, & Labor Exemptions

SUBJECT: Unfunded Mandate Reform Act of 1995 . . . S. 1. Kempthorne motion to table the Boxer perfecting amendment No. 227 to the Boxer amendment No. 203, as amended.

## **ACTION: MOTION TO TABLE AGREED TO, 53-46**

**SYNOPSIS:** Pertinent votes on this legislation include Nos. 15-41, 43-45, 47-53, and 55-61.

As reported by the Governmental Affairs Committee and the Budget Committee, S. 1, the Unfunded Mandate Reform Act of 1995, will create 2 majority (51-vote) points of order in the Senate. The first will lie against the consideration of a bill or joint resolution reported by an authorizing committee if it contains mandates and if Congressional Budget Office (CBO) cost estimates on those mandates are unavailable. The second point of order will lie against the consideration of a bill, joint resolution, motion, amendment, or conference report that will cause the total cost of unfunded intergovernmental mandates in the legislation to exceed \$50 million.

The Boxer amendment, as amended (see vote No. 53) would express the sense of the Senate and of the House that the President should fully enforce existing laws against child pornography, child abuse, and child labor.

**The Boxer second-degree perfecting amendment** to the Boxer amendment, as amended, would exempt from the requirements of this Act those Federal mandates that were "intended to study, control, deter, prevent, prohibit, or otherwise mitigate child pornography, child abuse, and illegal child labor."

Debate was limited by unanimous consent. Following debate, Senator Kempthorne moved to table the Boxer amendment. Generally, those favoring the motion to table opposed the amendment; those opposing the motion to table favored the amendment.

NOTE: Following the tabling of the amendment, the underlying Boxer amendment, as amended, was adopted by voice vote. For debate, see vote No. 53.
